CARA EVENT & TENT HIRE

# Table Seating Planner

Table and chair hire in Cork: comfortable vs. maximum seating for every table we stock

**Please note:** this is a guide only. The layouts and capacities shown are based on what our customers generally do, so treat them as a starting point rather than a rule. Every event is different and we are happy to adjust to suit yours.

**This is a living, growing guide.** It covers every trestle and round table in our range, with both a comfortable and a maximum seating option for each, independent of any tent or marquee. Use it alongside our Tent Seating Planner (tent & marquee layouts) when planning a full event.

## 1. How to read this guide

Every table below shows two seating options, side by side:

> **Comfortable** — generous spacing, easy to get in and out, plenty of elbow room. This is what we'd recommend for most sit-down meals and formal events.
>
> **Maximum** — the most people we can realistically fit around the table with proper chairs. Workable for shorter events, tighter budgets, or when floor space is the limiting factor — but expect less room to move.

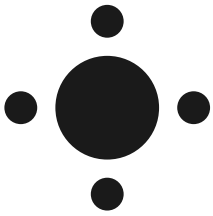

Chair price used throughout: Black Folding Samsonite Chair at €2.20 each (23% VAT applies to both tables and chairs). All prices shown are per table/chair before any delivery charge.
